

3.4.1 Extension activities in the neighborhood community in terms of impact and sensitising students to social issues and holistic development during the last five years

Response:

To impart and sensitize students to social issues and holistic development and to move social responsibility from theoretical foundation to practical, we have a committee named Gonna Social Service Committee (GSSC), which consists of Physical Directors as coordinators, 3 faculty members and 6 student coordinators in addition to National Service Scheme (NSS) with coordinator and more than 150 number of students. The GSSC committee acts as a unique and strong mentoring process through which many social activities are observed:

- It organizes a seminar on Anti-ragging every year.
- It organizes different activities in different villages nearby Visakhapatnam City.
- This organizes career guidance programmers in the village to create awareness among school going students for choosing their career oriented courses after finishing the school education.
- Developing leadership qualities among the students and unemployed youth through Health awareness camp, Blood Donation Camps and literary programs.
- It Organizes awareness programmer on Road safety by distributing pamphlets of wearing helmet, seatbelts, drink and drive, minor driving, following safety rules etc.,
- Create awareness on Anemia by printing and distributing relevant pamphlets among the public.

The above activities make the students aware of the social liability; social environment etc., which in turn transforms them into responsible citizens with moral values.
